How To Fix Cydia Stuck On Done Packages

Did u fix it Roman Dec 21, 2011. It gets stuck at 'done: packages'. If I click cancel and try adding sources, the black screen with the writing comes, it seems like its going fine until the end where the progress bar is complete and it says 'done: packages'. x jailbreak for 32-bit devices: • (This jailbreak is in BETA) tvOS Jailbreaks • iOS 11.. • Curious about learning how to develop tweaks? Check out the (and its IRC channels), including... Apr 01, 2014
Everytime I go to cydia, the packages try to load but it gets stuck everytime I go into cydia.. Please read the FAQ and search before submitting a post Want your device type and iOS version next to your username? We also offer custom flairs to development teams, tool creators, or people who have contributed to the community in a substantial way (at the moderators discretion) so feel free to send a modmail if you'd like one.. The packages tries to load first saying: 'done: packages' (but it sticks there for long time).. Themes (and theme-related questions or news), setup showcases, and all questions regarding aesthetic-oriented tweaks should be posted in.. Latest Jailbreaks iOS 11 0 x-11 1 x jailbreak: • iOS 10 x jailbreaks for 64-bit devices: • (A7-A9 only) • (Prominent developers only) iOS 10.. Subredditi Filters Useful Help and Answers • Got a confusing Cydia error message?.. • Jailbreaking question? First try and sorting by 'new' Also please read the.
